

Music: April 27th - May 1st

My dear students,

I hope all of you and your families are well! I miss you all a lot! I miss hearing you sing and hearing your happy conversations at recess and in the hallways. I hope to see you all soon! Stay healthy, keep up your work, and spend time outside. Make sure you sing your favorite songs and listen to your favorite music! Maybe you will even find new styles of music that you could begin to enjoy!

I know some of you did not realise there was work for “specials”, or had troubles finding the work, so please look at the earlier music class activities and try to work on them. Make sure to do the best you can! From now on, 6th, 7th, and 8th grades will have their music assignments posted on Google classroom, which will make it easier to keep all of our assignments in one place. Sign in codes will be given next week.

This is one of our favorite new songs this year. I still hear your voices when we sang it for the first time at one of our masses. Keep on singing!
