

## PreK 3 Suggested Activities for Week of April 6th

Breakfast Gathering:

Word of the Week- **soggy**

*youtube: SesameStreet Word on the street : soggy*

What is a food that might get “soggy” at breakfast time? Cereal, waffle with too much syrup, etc. Can talk about OR draw a picture. (one picture for the week is fine..)

Weather Observation: In a journal (or paper in a folder) draw a small symbol of the weather you see while looking out the window. Is it sunny, windy, cloudy, rainy?

*Youtube: Supersimplesongs - How's the Weather?*

Practice **sorting by size**. Borrow **one** shoe of each family member. \* Ask nicely if it is your brother or sister's please, and promise you will put it right back where you got it!

Lol

Make a line of the “family shoes” in size-order. Left to Right - Biggest to smallest.

Optional - Send me a picture!
