

.PreK 3 Suggested Activities for Week of June 8th

Word of the Week- **remember**

youtube: *SesameStreet: Word on the Street "Remember"*

Eric Stonestreet: Remember

Let's Make a Picture: We learned so many words this year! Our very first word of the week was **nature!** Many of the students really enjoyed **nibble, float, and activate too!**

- Think about all the words of the week we have learned this year. Pick one word that you really liked. Can you make a picture-clue of that word and write / trace the word on the paper too? Have it ready during Zoom to hold up, as a show and tell. We can see if we **remember** the same words! Here are a few more choices just in case: season, machine, splatter, accessory, journal, and engineer. Any word that your child remembers is fine!

Practice **counting 17 objects.**

- Youtube **Sesame Street Podcast Number 17**
- Starfall.com - Number 17
- Watch: **Subtraction - Words with Puffballs (Sesame Studios)**
Let's make a drawing for Ms Enrique! Can you make a Math Story picture?
 - Draw 6 green balloons. Take one away (cross it out). How many are left? Write the *number word* and *digit to show your answer*.
Ex. 5 balloons/ five balloons

STARFALL.COM

Remember (word of the week): Click on the Letter Blocks on the home page. Find the letter Dd. Follow along to the end and play the memory game. Do you **remember** the Dinosaur Dance? We always watched it first, then stood up, and danced along! Next find the letter Hh block. Follow

along and play the memory game at the end. What kind of animal do you see hiding under the water?

SHOW and TELL: *Let's Have A Scavenger Hunt*

Parents-

I think the children had fun with this Zoom game. We can try this again next week- with a few new prompts. We will go through various colors and I will ask for simple shapes to find as well..square and circle. I might ask to find and show “two” things that match, two things that show opposites (big and small).

The children have been so amazing and I am so proud of them! I know it is not the same as being in the classroom, but I have seen such great progress, on Zoom, and in the pictures and emails that have been sent to me each week! Thank you! I feel blessed to have had such a wonderful class this year...I miss them already. Have a fun, *somewhat* normal, summer! :)
